Alabama Rules of Criminal Procedure

Rule 30. Appeals from municipal and district courts.

Rule 30.6. Stipulations as to questions of law or fact.

In an appeal to the circuit court from a district or municipal court, the parties may stipulate to the questions of law or fact involved and the circuit court may in its discretion rule on the stipulations alone; provided, however, that the right to a jury trial is waived by all parties entitled to a trial by jury.

Committee Comments

This rule is new to Alabama and is in addition to Rule 30.2 permitting direct appeals to the appellate courts on stipulations of questions of law or fact.
